

Dear Sir/Madam,

At the outset, let me take this opportunity to introduce **KIRATHAM EDUCATIONAL CONSULTANTS PVT LTD.**, AND ITS PRODUCTS/SOLUTIONS FOR **EDUCATIONAL INSTITUTIONS.**

Kiratham Educational Consultants Pvt Ltd is a leading player in the education sector, supporting the education system to deliver value to its stakeholders – educational institutions, parents, students and the community. With a wide range of specially designed, unique products for educational institutions and students, Kiratham is helping to deliver solutions that make institutes meet their promise and put students on the path of good career choices.

At Kiratham Educational Consultants Pvt Ltd, we offer a gamut of solutions which can help make your institute a better educational institute/place, a leader in the highly competitive education sector.

These unique solutions/products include:

- I. Planetarium for the study of space
- II. Educational Tools, Aids and Laboratory equipment
 - a) Manipulative for the study of Mathematics
 - b) Maps, Charts and Globes
 - c) Equipment for Physics/Chemistry/Psychology and for other laboratories

I. MOBILE PLANETARIUMS:

MOBILE PLANETARIUMS is an advanced way to build an interest and help students learn just about any topic related to Space: the stars, constellations, satellites and other breath-taking dimensions of space, which are brought to life in the planetarium, with a 3D effect playing a crucial role in the study of the Space and Astronomy.

II. EDUCATIONAL TOOLS, AIDS & LABORATORY EQUIPMENT

- a) Manipulative: Mathematics has increasingly become a challenge for both , the tutor and the students. Kiratham supplies MANIPULATIVES, which are powerful tools for the teaching of Mathematics. This helps to move the abstract topics to concrete shapes, thus helping students to easily relate with the subject, thereby building students' confidence and making the learning of Mathematics interesting and enjoyable.
- b) Maps, Charts and Globes: We offer a comprehensive array of Maps, Charts, Globes and other educational aids mostly used in Social Studies. These aids help students to visualize the ideas in an organized way and also help them process the content and make the connections easily.
- c) Lab equipment for various labs: Kiratham, in partnership with various manufacturers provides PHYSICS, CHEMISTRY, PSYCHOLOGY ETC., LAB EQUIPMENTS for schools, colleges and universities. With over 300 items, these equipment have proven to be durable and impactful in students' study and the understanding of the subject.
- d) Chemicals for Labs: Good quality Chemicals used in Labs at a reasonable rates.
- e) Samples and Slides for Biology Lab: Permanent Slides, glass slides, cover slips and samples required for Biology lab
- f) School Cinema: School Cinema is a film-based learning module by LXL Ideas that makes learning lessons of life an entertaining experience. It reaffirms life-skills & values and helps strengthen bonds between students, parents, and educators through award-winning films, thought-provoking workbooks, and activities. Children respond and internalize key messages when immersed in School Cinema.
- g) Computer Text book for CBSE Schools : Kiratham Educational Consultants Pvt Ltd has tied up with Cyber Square to provide computer text books for CBSE schools. Cyber Square is a London, UK based company which has customers from UK, USA, Canada, UAE , Saudi Arabia, Qatar, Bahrain, India etc.

III. UNIFORMS

Kiratham helps educational institutions to determine their UNIFORM needs. Kiratham ensures the advantages of mass production, saving costs, uniformity in colour, comfort, design and style, including availability of uniforms all year round.

IV. TRAINING PROGRAMS:

- I. Educational Robotics training program for students: Kiratham, offers learning programs and range of Robotics Products along with **Avishkaar**. Robotics is a tool that is being used by children of age 5 to 15 worldwide. Along with developing various skills such as Critical Thinking, Problem Solving, Circuit Design, Programming etc., EDUCATIONAL ROBOTICS TRAINING also inspires, motivates and excites children about Science and Technology.
- II. Train the Trainer programs: As education is constantly evolving, it is imperative that teachers are kept abreast with the latest developments that have an impact on the education sector. Kiratham train-the-teacher programmes are enlightening and enhance the skills pool of teachers.

V. MyClean – INCINERATOR

Disposing used sanitary napkins is a global problem especially in schools. Kiratham, in association with Edmedtec, supplies and installs MyClean, an innovative, trendy, easy-to-install napkin INCINERATOR that solves this problem. MyClean saves schools and institutions the cost of constant repairs of blocked pipes as a result of clogging by disposed sanitary napkins.

We would like the opportunity to meet you or the concerned person at your institute to discuss in detail our services and provide solutions to meet your needs, in a cost-effective manner.

Yours faithfully,
Thank and Regards,

Prasad B
Director
