

Dear Sir/Madam,

At the outset, let me take this opportunity to introduce **KIRATHAM EDUCATIONAL CONSULTANTS PVT LTD.,** AND ITS PRODUCTS/SOLUTIONS FOR EDUCATIONAL INSTITUTIONS.

Kiratham Educational Consultants Pvt Ltd is a leading player in the education sector, supporting the education system to deliver value to its stakeholders – educational institutions, parents, students and the community. With a wide range of specially designed, unique products for schools and students, Kiratham is helping to deliver solutions that make institutes meet their promise and put students on the path of good career choices.

At Kiratham Educational Consultants Pvt Ltd, we offer a gamut of solutions which can help make your institute a better educational institute/place, a leader in the highly competitive education sector.

These unique solutions include:

- Modern equipment for Physics/Chemistry/Biology and for various other laboratories
- Manipulative for the study of Mathematics
- Uniforms that enhance the institution's brands perception
- Myclean, sanitary napkins disposal machine
- Planetarium for the study of space
- School Cinema
- Teacher training programmes
- Student's placement services for higher studies.

- **PHYSICS, CHEMISTRY, BIOLOGY AND VARIOUS OTHER LAB EQUIPMENT**

Kiratham, in partnership with various manufacturers provides **PHYSICS, CHEMISTRY, BIOLOGY ETC., LAB EQUIPMENTS** for schools, colleges and universities. With over 300 items, these equipments have proven to be durable and impactful in students' study and the understanding of the subject.

- **MANIPULATIVES**

Mathematics has increasingly become a challenge for both the tutor and the students. Kiratham supplies MANIPULATIVES, which are powerful tools for the teaching of Mathematics. This helps to move the abstract topics to concrete shapes, thus helping students to easily relate with the subject, thereby building students' confidence and making the learning of Mathematics interesting and enjoyable.

- **UNIFORMS**

Kiratham helps educational institutions to determine their UNIFORM needs. Kiratham ensures the advantages of mass production, saving costs, uniformity in colour, comfort, design and style, including availability of uniforms all year round.

- **MyClean – INCINERATOR**

Disposing used sanitary napkins is a global problem especially in schools. Kiratham, in association with Edmedtec, supplies and installs MyClean, an innovative, trendy, easy-to-install napkin INCINERATOR that solves this problem. MyClean saves schools and institutions the cost of constant repairs of blocked pipes as a result of clogging by disposed sanitary napkins.

- **MOBILE PLANETARIUMS**

MOBILE PLANETARIUMS is an advanced way to build an interest and help students learn just about any topic related to Space: the stars, constellations, satellites and other breath-taking dimensions of space, which are brought to life in the planetarium, playing a crucial role in the study of the sciences.

- **SCHOOL CINEMA**

School Cinema is a film-based learning module by LXL Ideas that makes learning lessons of life an entertaining experience. It reaffirms life-skills & values and helps strengthen bonds between students, parents, and educators through award-winning films, thought-provoking workbooks, and activities. Children respond and internalize key messages when immersed in School Cinema.

- **TRAIN THE TRAINER PROGRAMS**

As education is constantly evolving, it is imperative that teachers are kept abreast with the latest developments that have an impact on the education sector. Kiratham train-the-teacher programmes are enlightening and enhance the skills pool of teachers.

- **STUDENTS PLACEMENT FOR HIGHER EDUCATION**

Kiratham's partnership with leading universities in India and abroad ensures students are placed in top-notch institutions with ease, for higher education. Kiratham ensure parents and students are not stressed out seeking admission into top universities.

We would like the opportunity to meet you or the concerned person at your institute to discuss in detail our services and provide solutions to meet your needs, in a cost-effective manner.

Yours faithfully,
Thank and Regards,

Prasad B
